Contest Rules

- To qualify, each contestant must submit a photo of a complete set of memorabilia cards from each of the 19 NCWTS and 18 NNS drivers (37 cards total) - see checklist for complete list of drivers.
- Both single- and dual-swatch memorabilia cards qualify.
- Photo must clearly show all 37 cards together.
- A piece of paper or index card with your name must also be clearly visible in the photo.
- Photos that have been altered with Photoshop or other image editing software will result in disqualification.
- Each card can only be submitted once (i.e. Danica Patrick #123/199). The first submission is the only one that counts.
- Press Pass retains the right to request additional photos to confirm each card is accounted for if the original photo does not clearly show each card. Press Pass also reserves the right to disqualify entrants if they are unable to provide requested documentation.
- Once complete, the photo and list of cards (with sequential numbering included) must be emailed to contest@presspassinc.com with “FanFare Complete the Set” in the subject line.
- Winners will be selected and announced on October 3rd. Entry time will be based on the time and date the email (with photo & complete list of cards w/ sequential number) was received by Press Pass.
- **NOTE: Winners may be asked to mail their completed set in to Press Pass for additional verification (at Press Pass’ expense). All cards will be returned upon verification.**

Happy Collecting!
