

KONAMI

Yu-Gi-Oh!
TRADING CARD GAME
HIDDEN ARSENAL 4
SPECIAL EDITION

Since 2009, *Hidden Arsenal* booster sets have released in addition to our regular booster releases. These 5-card, all-foil packs have introduced their own special monster themes to the Yu-Gi-Oh! TRADING CARD GAME, like X-Sabers, Naturias, and Ice Barrier monsters.

Hidden Arsenal Special Edition gives Duelists another chance at the first three *Hidden Arsenal* releases, collected into one product! Each Special Edition will also include 1 of 2 Variant Cards, either **XX-Saber Emmersblade** or **Naturia Pineapple**.

This is an ideal product for Duelists who haven't checked out *Hidden Arsenal* boosters yet and want to give them a shot, or for those who missed these packs the first time around.

Hidden Arsenal Special Edition contains 1 pack of *Hidden Arsenal*, 1 pack of *Hidden Arsenal 2*, 1 pack of *Hidden Arsenal 3* and 1 Variant Card.
