# Yu-Gi-Oh! TRADING CARD GAME LOST SANCTUARY STRUCTURE DECK

Let the heavens open, and the celestial fury of the planets themselves be unleashed!

*Structure Deck: Lost Sanctuary* gives Duelists control over the embodiments of the planets Mercury, Venus, Earth, Mars, Jupiter, and Saturn – plus the Sun itself! These mighty monsters key off of special celestial cards like **The Sanctuary in the Sky** and **Divine Punishment**.

This 40-card, ready-to-play Deck is for Duelists who already know how to play, but are looking for a springboard to build a Deck of their own. (And also appeals to anybody looking for some good, clean fun by hurling planets at their opponents.)
